An act relating to the Zone 7 Water Agency.

LEGISLATIVE COUNSEL'S DIGEST

SB 1337, as introduced, DeSaulnier. Zone 7 Water Agency.

Existing law, the Alameda County Flood Control and Water Conservation District Act, establishes the Alameda County Flood Control and Water Conservation District and grants to the district authority relating to, among other things, flood control and stormwater. Under the district law, the Board of Supervisors of Alameda County serves as the Board of the Alameda County Flood Control and Water Conservation District.

The district law authorizes the board of the district to establish zones and provides for the formation of a zone lying, in whole or in part, in Pleasanton or Murray Townships. That zone is required to be governed by a board of 7 directors who are required to be elected by the voters residing within that zone.

This bill would state the intent of the Legislature to enact legislation that would create the Zone 7 Water Agency.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1     SECTION 1. It is the intent of the Legislature to enact
- 2     legislation that would create a flood control and water district
- 3     called the Zone 7 Water Agency, formed of the territory of Zone

- 1 7 of the Alameda County Flood Control and Water Conservation
- 2 District, including the City of Pleasanton and the former Murray
- 3 Township and the Dougherty Valley in the southern part of the
- 4 City of San Ramon.
